

## **JOB OPPORTUNITY**

100% Stainless Ltd are looking for two site installers to join our team.

100% Stainless Ltd is the leading stainless steel fabrication company in the Southwest, producing balconies & balustrades to the highest standards possible.

### **Job role**

The main role of this position would be to assist undertaking the fitting of our stainless steel and glass balustrades to a very high standard, gaining experience and qualifications along the way becoming a key part of the team. Due to travelling you would need to be flexible with working overtime on top of your standard working week.

Experience in stainless steel welding and fabrication would be desirable but not essential as full on the job training would be provided.

Full clean UK driving licence required.

You must be driven, enthusiastic to learn and be flexible to undertake various job roles and most importantly be friendly & polite.

### **Contact**

If you or anyone you know may be interested in this opportunity then please e-mail a covering letter and CV to James Lethbridge at [info@100percentstainless.co.uk](mailto:info@100percentstainless.co.uk)

Thank you
